Technical Guide for Keeway 50cc Carburetors Keeway America uses two primary forms of carburetors. A mechanical slide type is used on the 50cc units, and a constant velocity (CV) style is used on the 150cc four-stroke units. Page 44 The 50cc carb also has an "automatic enrichment valve" mounted on the right side.

Moped Army – Wiki – Repair Tutorials ... Peugeot Mopeds Parts Manuals, USA Models, used but good condition, for sale. All pages checked for any missing. The lighter brown notebooks are the "Ref 80" early version. Price \$30. The thicker dark brown notebooks are the "64390" version. Price \$35.

A service and repair manual with generic model coverage, suitable for 50 to 250cc scooters with carburettor engines. Includes a data section on the following models Aprilia SR50 (94-99), Rally 50, Sonic FT and GP, Leonardo 125.

DIVGas prices go up and down, but mostly up, and that trend is likely to continue for the foreseeable future. Because of this, people are increasingly turning to motor scooters. In addition to being entertaining to ride and providing extreme mobility, scooters often travel up to 100 miles for each gallon of gasoline burned. How to Repair Your Scooter is divided into chapters according to the scooter's various mechanical systems. For example, brakes, suspension, intake, exhaust, etc. each have their own chapter. Each chapter begins with a simple explanation of how the subsystem works and what its strengths and weaknesses are. The chapter then takes the reader through a series of common maintenance and repair projects, each illustrated with step-by-step sequential photography with captions. Content covers two- and four-stroke scooters and is relevant for machines from all markets. /div

The aim of this manual is to help readers get the best from their vehicle. It provides information on routine maintenance and servicing and the tasks are described and photographed in a step-by-step sequence so that even a novice can do the work.

A service and repair manual with generic model coverage, suitable for 50 to 250cc scooters with carburettor engines. Includes a data section on the following models Aprilia SR50 (94-99), Rally 50, Sonic FT and GP, Leonardo 125.
