A HALF BAKED LOVE STORY...it baked my brain at first but story turned little interesting when arav(hero of story)starts narrating his past love story which was his true and first love. This story clearly pictures us the way how arav who was shy,caring,decent boy who had fell in love with a girl anamika in his secondary high school turned into man who lost his true love and became so desparate that he started loving every girl he met and ended his relation every time.

'A tender and beautifully written tour-de-force on love, grief, hope and cake. If this is not the book of the summer, I will eat my wig. An absolute triumph' The Secret Barrister 'An utterly beautiful, moving, bittersweet book on love and loss. I loved it' Dolly Alderton At the moment her mother died, Olivia Potts was baking a cake, badly. She was trying to impress the man who would later become her husband. So she ate the cake, completely unaware that, 275 miles away, her mother was dying. Afterwards, grief pushed Olivia into the kitchen. She came home from her job as a criminal barrister miserable and tired, and baked soda bread, pizza, and chocolate banana cake. Her cakes sank and her custard curdled. But she found comfort in jams and solace in pies, and what began as a distraction from grief became a way of building a life outside grief, a way of surviving, and making sense of her life without her mum. And so she concocted a plan: she would begin a newer, happier life, filled with fewer magistrates and more macarons. She left the bar and enrolled on the Diplôme de Pâtisserie at Le Cordon Bleu, plunging headfirst into the eccentric world of patisserie, with all its challenges, frustrations and culinary rewards - and a mind-boggling array of knives to boot. Interspersed with recipes ranging from passionfruit pavlova to her mother's shepherd's pie, this is a heart-breaking, hilarious, life-affirming memoir about dealing with grief, falling in love and learning how to bake a really, really good cake. *** 'A heart-wrenching yet humorous portrayal of grief, a delicious collection of recipes, an inspirational tale of changing careers, and a feel good love story' Vogue 'Funny, sharp and sad. I laughed so much (and I cried)' Ella Risbridger, author of Midnight Chicken 'A brilliant, brave and

beautiful book: funny and charming; utterly inspiring and life-affirming' Olivia Sudjic

IT Is All In Us depicts a true love story of a two beautiful soul who managed to find love and above all managed to stay in love. But as they say never expect good for too long and this saying comes out to be true in their life. A mischievous, a flirt who never believed in love had to believe in something special. He was one who never had the slightest idea that a girl could affect him so much. Well, his perception about life and love was changed by someone. What is that interesting turn that the author is talking about ? Time went on and so did their life but at one point things went off and so did their love. Did they fall apart ? And if yes, did they manage to meet again ? The story beautifully narrates the true love and shows out the social barriers that our so called society put on us. Aarush : You know that an average a heartbeat beats about 2.7 billion times during a lifetime. My heart has already beaten 0.7 billion times before meeting you. Now it wants to beat the remaining 2 billion times for you. Just for you..
