About The Night

About the Night is a tale of love lost, found, and rebuilt against the odds. The narrative is romantic and unfolds slowly, pleasurably, evoking the beauty of the land of Israel. Of course this story is fictional, but I couldn't help but wonder if similar stories actually happened.

On a hot summer day in 1947, on a grandstand overlooking Jerusalem, Elias and Lila fall deeply, irrevocably in love. Tragically, they come from two different worlds. Elias is a Christian Arab living on the eastern side of the newly divided city, and Lila is a Jew living on the western side. A growing conflict between their cultures casts a heavy shadow over the region and their burgeoning relationship. Between them lie not only a wall of stone and barbed wire but also the bitter enmity of two nations at war. Told in the voice of Elias as he looks back upon the long years of his life, *About the Night* is a timely story of how hope can nourish us, loss can devastate us, and love can carry us beyond the boundaries that hold human beings apart.

In downtown Milwaukee, Wisconsin, Lou works tirelessly to build her beloved yet struggling French restaurant, Luella's, into a success. She cheerfully balances her demanding business and even more demanding fiancé...until the morning she discovers him in the buff—with an intern. Witty yet gruff British transplant Al is keeping himself employed and entertained by writing scathing reviews of local restaurants in the Milwaukee newspaper under a pseudonym. When an anonymous tip sends him to Luella's, little does he know he's arrived on the worst day of the chef's life. The review practically writes itself: underdone fish, scorched sauce, distracted service—he unleashes his worst. The day that Al's mean-spirited review of Luella's runs, the two cross paths in a pub: Lou drowning her sorrows, and Al celebrating his latest publication. As they chat, Al playfully challenges Lou to show him the best of Milwaukee and she's game—but only if they never discuss work, which Al readily agrees to. As they explore the city's local delicacies and their mutual attraction, Lou's restaurant faces closure, while Al's column gains popularity. It's only a matter of time before the two fall in love...but when the truth comes out, can Lou overlook the past to chase her future? <div>The classic memoir of Africa, aviation, and adventure—the inspiration for Paula McLain's Circling the Sun and “a bloody wonderful book” (Ernest Hemingway). Beryl Markham's life story is a true epic. Not only did she set records and break barriers as a pilot, she shattered societal expectations, threw herself into torrid love affairs, survived desperate crash landings—and chronicled everything. A contemporary of Karen Blixen (better known as Isak Dinesen, the author of <i>Out of Africa</i>), Markham left an enduring memoir that soars with astounding candor and shimmering insights. A rebel from a young age, the British-born Markham was raised in Kenya's unforgiving farmlands. She trained as a bush pilot at a time when most Africans had never seen a plane. In 1936, she accepted the ultimate challenge: to fly solo across the Atlantic Ocean from east to west, a feat that fellow female aviator Amelia Earhart had completed in reverse just a few years before. Markham's successes and her failures—and her deep, lifelong love of the “soul of Africa”—are all told here with wrenching honesty and agile wit. Hailed as “one of the greatest adventure books of all time” by Newsweek and “the sort of book that makes you think human beings can do anything” by the New York Times, <i>West with the Night</i> remains a powerful testament to one of the iconic lives of the twentieth century.</div>

"A perfect summer read [that] brims with heart . . . Don't be surprised if you keep turning the pages long into the night, spellbound by its magic."—The Denver Post
A sweeping saga about four generations of a family who live and love on an enchanting island off the coast of Italy—combining the romance of *Beautiful Ruins* with the magical tapestry of works by Isabel Allende. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Los Angeles Public Library • Kirkus Reviews**
“Captivating . . . [Catherine] Banner’s four-generation saga is set on an island near Sicily, where myths of saints get served up with limoncello at the Esposito family’s bar. . . . The island is fictional, but consider this dreamy summer read your passport.”—People
“A lusty page-turner that weaves romance, rivalry and the intricacies of family expectations into one glorious tale.”—Minneapolis Star Tribune
Castellamare is an island far enough away from the mainland to be forgotten, but not far enough to escape from the world’s troubles. At the center of the island’s life is a café draped with bougainvillea called the House at the Edge of Night, where the community gathers to gossip and talk. Amedeo Esposito, a founding from Florence, finds his destiny on the island with his beautiful wife, Pina, whose fierce intelligence, grace, and unwavering love guide her every move. An indiscretion tests their marriage, and their children—three sons and an inquisitive daughter—grow up and struggle with both humanity’s cruelty and its capacity for love and mercy. Spanning nearly a century, through secrets and mysteries, trials and sacrifice, this beautiful and haunting novel follows the lives of the Esposito family and the other islanders who live and love on Castellamare: a cruel count and his bewitching wife, a priest who loves scandal, a prisoner of war turned poet, an outcast girl who becomes a pillar of strength, a wounded English soldier who emerges from the sea. The people of Castellamare are transformed by two world wars and a great recession, by the threat of fascism and their deep bonds of passion and friendship, and by bitter rivalries and the power of forgiveness. Catherine Banner has written an enthralling, character-rich novel, epic in scope but intimate in feeling. At times, the island itself seems alive, a mythical place where the earth heaves with stories—and this magical novel takes you there. Praise for *The House at the Edge of Night*
“A gorgeous, sweeping story set over four generations . . . calls to mind Captain Corelli’s Mandolin and *Beautiful Ruins*.”—Interview
“Like pictures of a childhood summer, or a half-forgotten smell, this book is sweet and heady with nostalgia . . . [and] comforting as a quilt.”—NPR
“Rich and immersive, this book will take you away.”—Vox
“A masterful piece of storytelling, infused with the miraculous (both in stories and in everyday life) while maintaining the difficult balance between the explainable versus the inexplicable . . . captivating and beautifully rendered.”—Sara Gruen, author of *At the Water’s Edge*
