Above the fold is the upper half of the front page of a newspaper or tabloid where an important news story or photograph is often located. Papers are often displayed to customers folded so that only the top half of the front page is visible. Thus, an item that is "above the fold" may be one that the editors feel will entice people to buy the paper. Alternatively, it reflects a decision, on the part of the editors, that the article is one of the day's most important. By extension, the space above

Above the fold - Wikipedia

In the early days of publishing, 'above the fold' was a term used for content that appeared on the top half of the front page of a newspaper. When newspapers were displayed on a newsstand, the headlines and lead stories that appeared above the fold were the most visible, and catchy headlines and vivid imagery were commonly used to attract readers' attention, convincing them to buy the paper.

Above the Fold

Above the fold is an important principle in web design. It describes the part of a website that can be seen directly under the page's call to action. Even though most studies now assume that users (to a certain extent) are used to scrolling, many marketers are convinced that important content still belongs at the top.

"Peter Yeldham's historical fiction pedigree is one the best in the country." Sunday Telegraph ----- Luke Elliott and Claudia Marsden have fallen in love at a perilous time. The Second World War is raging in the Pacific, barbed wire and gun emplacements are strung along the northern beaches of Sydney in preparation for invasion. As the war moves closer, their 'sextet' of loyal school friends is splintering as individual career dreams are pursued. Luke yearns to be a writer, but a start in journalism is proving challenging. The war's end unexpectedly provides Luke's big break, but the pursuit of his dream will keep him away from Australia and Claudia, with surprising consequences for them both. ----- "Written with meticulous detail, this is an engaging story spanning a tumultuous period in Australian history." - Nicole Alexander, The Great Plains

When sister witches Mag and Clara Balefire stumble over the dead body of a local woman, they refuse to let the ruling of accidental death stand—not when they're positive it was murder.. Digging deeper, secrets begin to surface and the sisters suspect some of the townsfolk aren't as innocent as they appear. When they discover the killer might be someone close to the victim, they don't know who to trust. As if that's not enough, the local coven expects them to bring their cantankerous, ancient leader to heel, and she's having none of it. Between solving two murders and keeping a mischievous, elderly witch with power to spare from wreaking havoc, moving to a small town isn't quite what the Balefire sisters bargained for. If you like a good paranormal mystery with a heaping dollop of sarcasm and wit, you'll love this humorous magical story full of chaos and intrigue. Murder Above the Fold is the first book in the Elder Witch paranormal cozy mystery series. This is a full-length, humorous mystery novel featuring paranormal characters.
