Future / G ...

Instead of bemoaning the myriad difficulties facing the continent today, Ayittey boldly proposes a program of development--a way forward--for Africa. Africa Unchained investigates how Africa can modernize, build, and improve its indigenous institutions, and argues forcefully that Africa should build and expand upon traditions of free markets and free trade rather than continuing to use exploitative economic structures.

Africa Unchained: The Blueprint for Africa's Future ...

Africa Unchained is perhaps most remarkable as a marvel of poor editing. Besides being overwritten and under-edited, the real disappointment of *Africa Unchained* is its failure even to attempt anything approaching its ambitious subtitle as "the Blueprint for Africa's Future." Ayittey offers a few policy ideas, but leaves them largely undeveloped.
