More people write for The Associated Press than for any newspaper in the world, and writers-nearly two million of them-have bought more copies of The AP Stylebook than of any other journalism reference. It provides facts and references for reporters, and defines usage, spelling, and grammar for editors. There are separate sections for journalists specializing in sports and business, and complete guidelines for how to write photo captions, file copy over the wire, proofread text, handle copyrights, and avoid libel. This edition of The AP Stylebook keeps pace with world events, common usage, and AP procedures.

Grading papers is a fact of life, especially in English classrooms, and the paper load is a leading cause of teacher burnout. Fortunately, Carl Jago's here to help, and in "Papers, Papers, Papers," she offers you advice honed from thirty-one years in the English classroom and forty-five thousand papers worth of grading.

The Book That Launched an International Movement "An absolute must-read for parents." —The Boston Globe "It rivals Rachel Carson 's Silent Spring." —The Cincinnati Enquirer "I like to play indoors better 'cause that 's where all the electrical outlets are," reports a fourth grader. But it 's not only computers, television, and video games that are keeping kids inside. It 's also their parents ' fears of traffic, strangers, Lyme disease, and West Nile virus; their schools ' emphasis on more and more homework; their structured schedules; and their lack of access to natural areas. Local governments, neighborhood associations, and even organizations devoted to the outdoors are placing legal and regulatory constraints on many wild spaces, sometimes making natural play a crime. As children 's connections to nature diminish and the social, psychological, and spiritual implications become apparent, new research shows that nature can offer powerful therapy for such maladies as depression, obesity, and attention deficit disorder. Environment-based education dramatically improves standardized test scores and grade-point averages and develops skills in problem solving, critical thinking, and decision making. Anecdotal evidence strongly suggests that childhood experiences in nature stimulate creativity. In Last Child in the Woods, Louv talks with parents, children, teachers, scientists, religious leaders, child-development researchers, and environmentalists who recognize the threat and offer solutions. Louv shows us an alternative future, one in which parents help their kids experience the natural world more deeply—and find the joy of family connectedness in the process. Now includes A Field Guide with 100 Practical Actions We Can Take Discussion Points for Book Groups, Classrooms, and Communities Additional Notes by the Author New and Updated Research from the U.S. and Abroad Richard Louv's new book, Our Wild Calling, is available now.
