The fifth edition of Delmar's Automotive Service Excellence (ASE) Test Preparation Manual for the A8 ENGINE PERFORMANCE certification exam contains an abundance of content designed to help you successfully pass your ASE exam. This manual will ensure that you not only understand the task list and therefore the content your actual certification exam will be based upon, but also provides descriptions of the various types of questions on a typical ASE exam, as well as presents valuable test taking strategies enabling you to be fully prepared and confident on test day.

The fifth edition of Delmar's Automotive Service Excellence (ASE) Test Preparation Manual for the C1 SERVICE CONSULTANT certification exam contains an abundance of content designed to help you successfully pass your ASE exam. This manual will ensure that you not only understand the task list and therefore the content your actual certification exam will be based upon, but also provides descriptions of the various types of questions on a typical ASE exam, as well as presents valuable test taking strategies enabling you to be fully prepared and confident on test day.

Prepare tomorrow's automotive professionals for success on the National ASE Certification Tests. ASE Test Preparation and Study Guide, 2/e covers ASE areas A1-A8, and is designed to help service technicians and students of automotive technology prepare to take the National ASE Certification Tests. Written by a service technician and an automotive instructor--not a technical writer--the Second Edition is updated and expanded to include G1, A9, and L1 test questions and explanations, organized by ASE test area to make studying easier, and includes twice the number of questions on the actual test. The ideal supplement to all automotive technology courses, it covers all topics in one complete text.

Comprehensive ASE A1-A8 study guide. Covers the following: A1 Auto: Engine Repair; A2 Auto: Automatic Transmission/Transaxle; A3 Auto: Manual Drive Train & Axles; A4 Auto: Suspension & Steering; A5 Auto: Brakes; A6 Auto: Electrical/Electronic Systems; A7 Auto: Heating & Air Conditioning; A8 Auto: Engine Performance You have the Edge! You now have an "insiders view" of the Exam in every detail, in the exact Environment and patterns as test day! Gain Confidence and reduce study time. Proudly Made in the USA. Your purchase supports over 100 America workers including writers, editors, managers, researchers, service reps, programmers, engineers, designers and technicians. 80% of your purchase made between February and April will be donated to find a cure.

Synopsis: Filled with updated task list theory, practice tests, and abundant, demonstrative graphics, this revised edition provides all the latest information required to sufficiently prepare technicians to pass each of the A1-A8 and L1 ASE certification exams. Each chapter begins with a pretest that indicates the depth of preparation required to become familiar with the information in the chapter, followed by a description of each ASE task and the must-have information related to the task. ASE-type questions at the end of each chapter appear in the same format as on actual ASE tests to further prepare users to pass each exam.

Technicians seeking certification in any one of the automotive ASE exam areas will benefit from the valuable preparation offered by this newly revised package of test preparation booklets. Each title in this popular series features the most up-to-date ASE task list available, along with practice test questions like those typically seen on an ASE certification exam to help users feel more comfortable and prepared to pass the actual test. Comprehensive coverage includes overviews of each task list topic, including descriptions of the actual repair procedure being discussed, plus ASE test taking strategies and detailed explanations as to why a particular answer is correct or incorrect.
