A 10-week bible study exploring freedom in Christ for women. Focuses on themes from the Book of Isaiah.

Now available in paperback and one of Beth Moore's most popular writings to date, Breaking Free is the breakthrough book on how to overcome the strongholds of sin and discover a better life.

You were made for more than a love/hate relationship with your body. It's one thing to know in your head that you were created in the image of God. Yet it's quite another to experience this belief in your body, against the cultural ideals of a woman's worth. And between the two lies a world of frustration, disappointment, and the shame of somehow feeling both too much and never enough in your body. Jess Connolly is a bestselling author, sought-after speaker, and trusted Bible teacher who knows this inner conflict all too well, and this book details her journey--and yours--of setting out to discover how to break free from the broken beliefs we all hold about our bodies that hold us back from our fullest life. The truest thing about you is that you are made and loved by God. And the truest thing about Him is that He cannot make bad things. This book will help you believe it with your whole self, as Jess guides you through an eye-opening, empowering process of: Renaming what the world has labeled as less-than Resting in God's workmanship Experiencing restoration where there has been injury And becoming a change agent in partnering with God to bring revival to a generation of women Far from a superficial issue, self-image is a spiritual issue, because God has named your body good from the beginning. Whether your struggle is with eating and exercise habits, stress or trauma, infertility or injury, this book makes space for you to experience God meeting you in this tender place, and ring His

Break free from Fear Life is filled with all sorts of fears that can assault your mind, trouble your soul, and bring untold stress. But you don't have to remain captive to your fears. In this six-week study you will learn how to confront your circumstances with strength and courage as you live in the fear of the Lord—the fear that conquers every other fear and sets you free to live in faith. 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. These inductive study guides, designed to be completed in just six 40-minute lessons with no homework required, help you discover for yourself what God says and how it applies to your life today. With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.

The Leader's Guide contains the objectives and theological concepts for each chapter, written in an easy, conversational style. It also contains answers for the questions in the Bible Study.

Examines the life of Paul the Apostle using Biblical passages and studies of ancient Jewish life in Biblical times and finds lessons of faith, humility, and self-sacrifice which modern Christians can apply to their own lives.

In Truly Free best-selling author Robert Morris invites us into a glorious truth—that the promise of being set free from the slavery of sin is a promise to be set free completely. Jesus said, "All authority in heaven and on earth has been given to me" (Matthew 28:18). As believers, we have Christ and never need to be afraid. Yet it's also true that we are not immune to the effects of evil. Christ has conquered sin and death, but in his infinite wisdom—for reasons that are often difficult for us to understand—evil is still permitted to exist. Even if we're saved and trust in Christ, we may still find areas in which we just can't get victory. Maybe it's a sin we've confessed again and again or a constant struggle with depression, anger, or lust. These long-imbedded patterns of shameful living continue to entangle us day after day, month after month, and even year after year. Although evil is real and Christians can be oppressed by it, we have the promise that the one who is in us is greater than the one who is in the world (1 John 4:4). Jesus saves us, trains us to resist the power of evil, and delivers us from anything that holds us back. With Jesus, we can be truly free forever.

Helps Christians decisively overcome specific strongholds—such as pride, addiction, loss, unbelief, temptation, and more—by praying God's Word, regardless of how overwhelmed or out of control a person may feel. Reprint.

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. As a survivor of sexual abuse in childhood, you may find that its effects continue to haunt you - bringing guilt and shame, perhaps depression and anxiety, eating disorders, troubled relationships and sexual difficulties. But although you can't alter the past, you can change the present and the future. *Breaking Free*, by Kay Toon and Carolyn Ainscough, draws on their nationally recognized and pioneering work as clinical psychologists giving a voice to the Survivors of child sexual abuse. It uses their courage and experiences to help other survivors face their past and take steps towards a better future. This new edition of the accompanying workbook now refers to types of abuse that have come to light more recently, such as street exploitation, and abuse by celebrities, politicians and football coaches, as well as the use of digital technology to groom children and young people. Practical exercises work step-by-step on the problems that result from being sexually abused as a child. They are designed to present survivors with different ways to think about the past, and to arm you with new strategies to move on from the problems that disrupt the present, and look forward to the future. Exercises like these can be very beneficial, but they can also be painful. They can bring up strong feelings, so at every stage your safety and well-being are the first concern, and the book includes essential coping strategies for getting the level of support you need. This practical book will be enormously useful for survivors of sexual abuse, and may also help those who have been abused emotionally or physically. Therapists will also find it a useful resource to use with clients, and both this book and *Breaking Free* are regularly recommended by professionals in the NHS and also in the media.
