Transfer Guides list courses from some of our main-feeder schools that transfer to fill BYU's general education requirements. All guides are unofficial, the courses listed are for the current school year, and they should be considered only as a guide. Please keep in mind that we may change them at any time. An associate degree from most regionally accredited institutions will fulfill the majority of your general education requirements at BYU.

Max out your potential transfer credits at BYU then transfer, thus minimizing the time at your new University and therefore the cost. Plan on working outside of your field until your debt is paid, then return to it (easier said than done, but if you can do this, do it) Go to a cheaper school. Major in something else and Minor in what you love **

~~How to Transfer | BYU Survival Guide~~
Transfer Applicants Submit the application by the appropriate application deadlines. Students should apply for the semester or term for which they wish to attend. Requests to change beginning semesters may... The admission criteria are the same for all entry dates. One semester or term is not easier ...
