Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

After he's blamed for a botched assignment during war, former cavalry officer Rhys Warrick turns his back on "honor." He spends his nights in brothels doing his best to live down to the expectations of his disapproving family. But one last mission could restore the reputation he's so thoroughly sullied. All he has to do is seduce and ruin Miss Olivia Symon and his military record will be cleared. For a man with Rhys's reputation, ravishing the delectably innocent miss should be easy. But Olivia's honesty and bold curiosity stir more than Rhys's desire. Suddenly the heart he thought he left on the battlefield is about to surrender...

Derek Walcott's Omeros is a poem in five books, of circular narrative design, titled with the Greek name for Homer, which simultaneously charts two currents of history: the visible history charted in events -- the tribal losses of the American Indian, the tragedy of African enslavement -- and the interior, unwritten epic fashioned from the suffering of the individual in exile.

*She's Yours For The Taking: A Man's Guide to the Seduction and Sexual Enchantment of Women* goes beyond the juvenile notion of just "picking up women". It's a complete Dating and Mating Handbook that a man can refer to at every step along the way to seduction: from how to first engage a woman in a manner that makes an intriguing impression on her... to guiding her straight into his arms by feeding her the proper romantic signals that she craves at every step along the way. And it's all done with paint-by-numbers ease! To begin, SYFT presents a very low-pressure cold-meeting move called Pull Tabbing. This easy-going, casual socializing technique will equip you with a solid plan of social action that can be stored away in your head all ready to spring into action. It's especially effective for making hay with those sudden "gotcha" chances to meet women that happen when you least expect them... at the mall, in school or even out on the street. Pull Tabbing shows you how to flirt in an appropriate and friendly manner that can capture a woman's immediate interest -- and without having to hang your Ego out to dry in the process! Pulling a phone number will seem like a natural extension of the flirt, rather than an awkward intrusion into her life. Then you'll learn about the Three Date Master Seduction: Action, Connection and Romantic-style get together that appeal to her deepest romantic instincts like a lock-and-key. Understanding this correct approach to her heart can quickly forge that elusive bond of "chemistry" that is often lacking on first dates that fizzle. *She's Yours* then completes the journey in the bedroom with a galaxy of erotic moves that are designed to send her straight into orgasmic orbit... while turning YOU into her favorite new addiction! No matter what your current level of social or romantic skill, SYFT will show you how to take it to the next level and turn any girl that you've got your eye on into the girl of your dreams.
