This timely, reassuring picture book is the perfect resource to help young children and their families deal with the confusion, misconceptions, and anxieties apt to arise when divorce

occurs.

Dinosaur characters discuss the subject of divorce in a way that very young children can understand, dealing with such specific issues as why parents divorce and living in two homes

Text and illustrations of dinosaur characters introduce aspects of divorce such as its causes and effects, living with a single parent, spending holidays in two separate households, and adjusting to a stepparent.

For use in schools and libraries only. Text and illustrations of dinosaur characters introduce aspects of divorce such as its causes and effects, living with a single parent, spending holidays in two separate households, and adjusting to a stepparent.

From the bestselling, trusted team behind the Dino Tales: Life Guides for Families series (1.5 million copies sold life to date!) comes this introductory guide that encourages even the youngest readers to become engaged citizens of the world around them. This essential, kid-friendly non-fiction guide isn't just for families looking to share genuinely patriotic values during an election year--it's for everyone. Using accessible dinosaur characters and clear language, Democracy for Dinosaurs explores key civic values on every adult's mind and helps show young readers how the things they do every single day can be guided by principles we must share in a democratic society: freedom, fairness, the rule of law, equality, respect for free speech and respect for the truth. By modeling accessible ways to practice being a good citizen, children will understand they are part of their country and that they have an important role to play. Other Dino Tales: Life Guides for Families How to Be a Friend Dinosaurs Divorce When Dinosaurs Die

Explains in simple language the feelings people may have regarding the death of a loved one and the ways to honor the memory of someone who has died.

KoKo Bear Can Help Children * learn what divorce means * deal with changes in their everyday lives * talk about their feelings * recognize that their feelings are natural * be assured that their parents still love them and will take care of them * understand that divorce is not their fault

Answers common questions about divorce, its effects on the family, relationships with parents after a divorce, and related matters, and provides observations from children who have experienced a divorce in their families.

Definitive advice from the author of the bestselling "Get out of my life". Divorce, argues Anthony E. Wolf, does not have to do long-term damage to a child. In his groundbreaking new book, he shows parents how to steer children through the pain and the complex feelings engendered by divorce, feelings that, if not resolved, can create continuing problems for a child. Wolf also explains how to deal with the difficult issues that so frequently accompany a divorce. How do you tell your child about the divorce? How do you keep your children from being caught between you and your ex-partner? What do you do if that other parent gradually fades out of their lives? Or, how do you maintain strong ties with your children if you are not the primary custodial parent? How do you help them cope with new living arrangements, as well as stepparents or stepsiblings? "Why did you have to get a divorce?" is filled with stories that parents will recognize with relief. Positive, at times even funny, and, above all, effective, this guide will speak directly to divorcing and divorced parents.

Text and illustrations of dinosaur characters introduce aspects of divorce such as its causes and effects, living with a single parent, spending holidays in two separate households, and adjusting to a stepparent.
