Uses a comic book format to tell the story of the author's parents, from their first encounter in 1928 London, through their marriage and the rapidly shifting modern world, to their final days.

A marvellous, life-enhancing book for all ages, now a major animated film starring Jim Broadbent, Brenda Blethyn and Luke Treadaway Utterly original, deeply moving and very funny, Ethel & Ernest tells the story of Raymond Briggs' parents' marriage, lady's maid Ethel and milkman Ernest, from their first chance encounter in 1928, through the birth of their son Raymond in 1934, to their deaths, within months of each other, in 1971. Told in Brigg's unique strip-cartoon format, Ethel and Ernest live through the defining moments of the twentieth century: the darkness of the Great Depression, the build up to World War II, the trials of the war years, the euphoria of VE Day and the emergence of a generation from post war austerity to the cultural enlightenment of the 1960s. Ethel & Ernest is a heartfelt and affectionate tribute to an ordinary couple and an extraordinary generation.

Utterly original, deeply moving and very funny, Ethel & Ernest is the story of Raymond Brigg`s parents' marriage, from their first chance encounter to their deaths told in Brigg`s unique strip-cartoon format. Nothing is invented, nothing embroidered - this is the reality of two decent, ordinary lives of two people who, as Briggs tells the story, become representative of us all. The book is also social history; we see the dark days of the Second World War, the birth of the Welfare State, the advent of television and all the changes which were so exhilarating and bewildering for Ethel and Ernest. A marvellous, life-enhancing book for all ages.

Now in paperback, from the author of the bestseller *The Snowman*, a poignant, funny, utterly original graphic memoir that tells the story of his parents lives.

To the dismay of his parents and friends, a prehistoric boy continually thinks of making things softer, warmer, and nicer, rather than being content in a world of stone.

BANG! BANG! BANG! went the guns of the Tin-Pot Foreign General BANG! BANG! BANG! went the guns of the Old Iron Woman Raymond Briggs's visceral take on the Falklands War is uncompromising in its dark and moving satire of the build-up and aftermath of the conflict. This controversial book's infamous stars - General Leopoldo Galtieri and Margaret Thatcher - are depicted as robotic caricatures with a pointless blood lust. Now available as an eBook for the first time.

In his customary pose as the grumpiest of grumpy old men, Raymond Briggs contemplates old age and death... and doesn't like them much. Illustrated with Briggs's inimitable pencil drawings, *Time for Lights Out* is a collection of short pieces, some funny, some melancholy, some remembering his wife who died young, others about the joy of grandchildren, of walking the dog... He looks back at his schooldays and his time as an evacuee during the war, and remembers his parents and the house in which he grew up. But most, like this one, are about his home in Sussex- Looking round this house, What will they say, The future ghosts? There must have been Some barmy old bloke here, Long-haired, artsy-fartsy type, Did pictures for kiddy books Or some such tripe. You should have seen the stuff He stuck up in that attic! Snowman this and snowman that, Tons and tons of tat.

THE STORY: This is the love story of Ethel and Norman Thayer, who are returning to their summer home on Golden Pond for the forty-eighth year. He is a retired professor, nearing eighty, with heart palpitations and a failing memory--but still as tart
