- James Baldwin, Giovanni's Room Baldwin is everything. He ability to articulate the struggle to be a man in a world where both black men and gay men were considered 2nd class (if lucky) citizens taught me. He is the reason I read (or at least one of the reasons) good fiction. It transports me into the experience of the other. His writing is a gift. The emotions of this novel are expressed as ...

Through the men in Giovanni's Room, Baldwin showcases how socially created masculinity complexes rely on the humiliation and disenfranchisement of women. Through his main female character, Hella, Baldwin argues how women's freedom often relies on men. For men like David, masculinity is dependent on degrading women and femininity in general.

'Exquisite, a feat of fire-breathing, imaginative daring' Guardian David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him the issues of race, sexuality and personal freedom were eternally intertwined. 'If Van Gogh was our 19th-century artist-saint, James Baldwin is our 20th-century one' Michael Ondaatje 'Baldwin writes of these matters with unusual candour and yet with such dignity and intensity' The New York Times 'Violent, excruciating beauty' San Francisco Chronicle

When David meets the sensual Giovanni in a bohemian bar, he is swept into a passionate love affair. But his girlfriend's return to Paris destroys everything. Unable to admit to the truth, David pretends the liaison never happened - while Giovanni's life descends into tragedy. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love . . .

This edition was specially created in 1993 for Quality Paperback Book Club by arrangement with Doubleday ...

A comprehensive compilation of Baldwin's previously published, nonfiction writings encompasses essays on America's racial divide, the social and political turbulence of his time, and his insights into the poetry of Langston Hughes and the music of Earl Hines.

Unlock the more straightforward side of Giovanni's Room with this concise and insightful summary and analysis! This engaging summary presents an analysis of Giovanni's Room by James Baldwin. The Giovanni of the title is a handsome Italian barman whom the novel's narrator and protagonist, a young American man called David, meets in a clandestine gay bar in Paris. Despite David's conflicted feelings and prior relationship with a woman, the two men soon embark on an intense but volatile affair which ultimately ends in tragedy. James Baldwin was one of the most influential African-American writers of the 20th century. His best-known works include his novels Go Tell It on the Mountain and Giovanni's Room, and he also penned a wide range of essays on social rights issues. Find out everything you need to know about Giovanni's Room in a fraction of the time! In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." –The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettablely ingrained in the American psyche.

Masculinity and the Paradox of Violence in American Fiction, 1950-75 explores the intersections of violence, masculinity, and racial and ethnic tension in America as it is depicted in the fiction of Ralph Ellison, Richard Wright, Norman Mailer, Saul Bellow, James Baldwin, and Philip Roth. Maggie McKinley reconsiders the longstanding association between masculinity and violence, locating a problematic paradox within works by these writers: as each author figures violence as central to the establishment of a liberated masculine identity, the use of this violence often reaffirms many constricting and emasculating cultural myths and power structures that the authors and their protagonists are seeking to overturn.

Love and courage bind three extraordinary people--a former child evangelist, a famous gospel singer, and the latter's manager-brother--as they shape and are shaped by the events of the past three decades.

A major work of American literature that powerfully portrays the anguish of being Black in a society that at times seems poised on the brink of total racial war. At the height of his theatrical career, the actor Leo Proudhammer is nearly felled by a heart attack. As he hovers between life and death, Baldwin shows the choices that have made him enviably famous and terrifyingly vulnerable. For between Leo's childhood on the streets of Harlem and his arrival into the intoxicating world of the theater lies a wilderness of desire and loss, shame and rage. An adored older brother vanishes into prison. There are love affairs with a white woman and a younger black man, each of whom will make irresistible claims on Leo's loyalty. Tell Me How Long the Train's Been Gone is overpowering in its vitality and extravagant in the intensity of its feeling.

As the field of translation studies has developed, translators and translation scholars have become more aware of the unacknowledged ideologies inherent both in texts themselves and in the mechanisms that affect their circulation. This book both analyses the translation of queerness and applies queer thought to issues of translation. It sheds light on the manner in which heteronormative societies influence the selection, reading and translation of texts and pays attention to the means by which such heterosexism might be subverted. It considers the ways in which queerness can be repressed, ignored or made invisible in translation, and shows how translations might expose or underline the queerness – or the homophobic implications – of a given text. Balancing the theoretical with the practical, this book investigates what is culturally at stake when particular texts are translated from one culture to another, raising the question of the relationship between translation, colonialism and globalization. It also takes the insights derived from intercultural translation studies and applies them to other fields of cultural criticism. The first multi-focus, in-depth study on translating queer, translating queerly and queering translation, this book will be of interest to scholars working in the fields of gender and sexuality, queer theory and queer studies, literature, film studies and translation studies.
