Most of us aren't in danger of ruining our lives. We're in danger of wasting them. Are you unsatisfied with the kind of Christian life you've settled for? If you are tired of cul-de-sac Christianity or self-help pseudo solutions, today is the day God's greater plan for your life begins in full force: Greater than the labels you were given when you were young. Greater than

the cynicism that settles in as you get older. Greater than the dreams you've dreamed for yourself. Greater than even the greatest moment you've had thus far. In Greater, Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God, the clarity to see the next step He's calling you to take, and the courage to do anything He tells you to do.

If you're not daring to believe God for the impossible, you may be sleeping through some of the best parts of your Christian Life. This book is not a Snuggie. The words on these pages will not go down like Ambien. I ' m not writing to calm or coddle you. With God ' s help, I intend to incite a riot in your mind. Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear. Then flip the switch back on so that God ' s truth can illuminate the divine destiny that may have been lying dormant inside you for years. In short, I ' m out to activate your audacious faith. To inspire you to ask God for the impossible. And in the process, to reconnect you with your God-sized purpose and potential. —STEVEN FURTICK, from Sun Stand Still “ Steven Furtick challenges all of us—from the missionary in the third world to the family in the suburbs—to believe God for the impossible and begin living a life of faith beyond the ordinary. ” —ANDY STANLEY, senior pastor, North Point Community Church “ I don ' t know anyone better positioned to challenge you to rise above mundane living and embrace faith-filled audacity than Steven Furtick. ” —CRAIG GROESCHEL, senior pastor, LifeChurch.tv “ For too long Christians have embraced a miniscule vision of faith.... Steven Furtick reminds us that the God who accomplished the impossible through the great heroes of faith still desires to do the same through us today. ” —JENTEZEN FRANKLIN, senior pastor, Free Chapel “ This book will show you that your hopes and expectations are truly just the beginning of what God can do. ” —ED YOUNG, senior pastor, Fellowship Church

NATIONAL BESTSELLER • Don ' t let your contradictions keep you from your calling. “ This book will challenge you and encourage you into a life characterized by prayerful dependence and decisiveness—your life will never be the same. ” —Mark Batterson, author of The Circle Maker Many of us are overwhelmed by the gap between our weaknesses and our dreams, between who we are and who God says we are meant to be. We feel unqualified to do God ' s work or to live out the possibilities we imagine. But God has a way of using our weaknesses for good. In fact, God loves unqualified people. This is a book about understanding your identity in light of who God is. It ' s a book about coming to terms with the good, the bad, and the unmentionable in your life and learning to let God use you. It ' s about charging into the gap between your present circumstances and your future dreams and meeting God there. After all, God can ' t bless who you pretend to be. But he longs to bless who you really are: a flawed and broken person. Fortunately for us God is in the business of using broken people to do big things.

Crashing the chatterbox = Overpowering lies of insecurity, fear, condemnation, and discouragement with the promises of God. “ I used to think that someone who struggled with the kinds of weaknesses I deal with daily was useless to God. I felt so often like I was drowning in internal dialogue I couldn't control. It had been the soundtrack of my life for as long as I could remember. Yet everything changed when I began to realize God has given us the ability to choose the dialogue we believe and respond to. And once we learn how, we can switch from lies to truth as deliberately as we can choose the Beatles over Miley Cyrus on satellite radio. This is the key to pressing ahead and doing God's will anyway, even as you are bombarded with thoughts, feelings, and even facts about why you can't do it. I'm now awakening to the reality that we can access the power of God's promises to constantly crash the system of our broken beliefs. I'm learning how to overpower the shouts of the Enemy by bending my ear to the whisper of God's supernatural truths about my identity in Him and His strength in me. ” -STEVEN FURTICK, from Crash the Chatterbox Includes discussion questions for individuals or groups. Inside your head and heart is a chatterbox. Its lies are keeping you from realizing your God-given potential. But what can you do about them? The Voice You Listen to Will Determine the Future You Experience In Crash the Chatterbox, Pastor Steven Furtick focuses on four key areas in which negative thoughts are most debilitating: insecurity, fear, condemnation, and discouragement. He asks, “ What great deeds are in danger of remaining undone in your life because of lies that were planted in your past or fears that are looming in your future? ” With personal stories, inspiring examples, and practical strategies, Pastor Furtick will show you how to silence the lies and embrace the freeing affirmation of God. Learn how to live out God's truth no matter what is going on in your life or thoughts. Learn how to crash the chatterbox...and hear God's voice above all others.
