Interesting Times: A Twentieth-Century Life  
by Eric ...

Hypatia was the daughter of the mathematician  
Theon of Alexandria (c. 335 - c. 405 AD).  
According to classical historian Edward J.  
Watts, Theon was the head of a school called  
the "Mouseion", which was named in emulation  
of the Hellenistic Mouseion, whose membership  
had ceased in the 260s AD. Theon's school was  
exclusive, highly prestigious, and  
doctrinally conservative.
