Victoria Marshall didn't cooperate by dying in the Afghani hell-hole as the CIA expected. Defying all probability, a privately-funded black ops group led by a handsome, sexy-as-sin southerner pulled her out of the warlord's prison cell and brought her home. Even half out of her mind with pain Tori knew this man was special. She made a date with the commander to meet one year later at a restaurant of his choice. Keeping that date was the best thing she ever did. Jacob King was attracted to the personality of the woman he saved from the warlord's camp. Although it was hard to see what lay under the filth and suppurating wounds she suffered from countless beating, he admired her brave humor in the face of her agonizing injuries. This kind of tough-minded woman was someone he'd like to know, admittedly he never expected the leggy, blond bomb-shell in the red dress who showed up for their date. But then he never expected she would save his life, either. In a world of shadows, deceit, and dangerous covert missions, where people routinely vanish and living one more day was never a given, Tori and Jacob fight to build their happily ever after.

Ember Harris has sworn to save lives. Joseph King is an assassin. Death is their common ground, only they stand on opposing sides. A dead man's plea pushes Dr. Ember Harris headfirst into a swirling mire of drugs, death, and political corruption. The Cartel boss who murdered Ember's friend will stop at nothing to get the information entrusted to her. After all, finding and killing a mere woman in order to claim the evidence should be easy. A matter of a contract, time, and money. Terrified, alone, and on the run, Ember reaches out to the only person she knows she can trust. Joseph King is an assassin. He'd just unpacked his bag from an assignment he probably shouldn't have survived. Life as an assassin comes with an expiration date. Sooner or later your competition or your target will get lucky. Out of spare lives, Joseph knows it is time to hang it up and walk away while he still can. Best laid plans, right? One phone call from the only woman he'd ever cared about successfully sidelines his disappearing act. Protecting Em will be his last mission. This time he'll risk anything, including his life, to keep her safe. For her, he'd stroll through the sin-stoked fires of hell and gut the devil himself.

His love lem and leave lem mentality served him welluntil it didn't. Now, forty years old and in charge of Guardian's Domestic Security, he's done with the biological catch and release game that used to thrill himuntil Jade King let herself into his office and made him an offer. One he couldn't refusebut man, could he screw it up. When one of the Guardian's family members is targeted for death, Jade is pulled from her much deserved vacation and into Nicolas DeMarco's worlda world complete with strings, attachments, feelings, and danger. When the elusive head of the Triad maliciously plans and executes an event that devastates an entire city, it catapults Jade and Nic into a Guardian sanctioned operation. An operation that they may not survive.

Stalking the hidden king is the Warlord, a ruthless Republican general who wields the bloodsword. Only a few brave rebels dare to oppose him: young Dion, who fights to find his destiny; the mercenary Tusk; the outlaw commander Dixter; and the beautiful Lady Maigrey, the only person alive who can match the Warlord's cunning. Van Wheeler was an elite team leader of Guardian's Sierra Team. He'd fought in wars, survived firefights in forsaken hell-holes and moved like a ghost in foreign countries. His team performed missions flawlessly. He'd never regretted an assignment, until he met her. The sweet, brilliant code breaker who'd devastated not only the enemy's communication cyphers, but also his heart. For Cassie Valentine, life was anything but hearts and chocolates--starvation and physical abuse at the hands of her father and uncle was the norm. Her intellectual genius at solving code brought her to the attention of Guardian and a man who showed her what life could have been like. A cruel glimpse at happiness that she could never obtain. Compelled by a threat to her mother, Cassie returned to the shack in the Bitterroot Mountains. Without a word, she vanished, leaving Van Wheeler, the man who loved her, to forever wonder why she'd left.A year later, battered, broken, and protecting her child, she fled her family's cabin at the top of the Bitterroot Mountains. Cassie knew she and her tiny son would share the fate of her dead mother if she didn't escape. On foot and ill-prepared, she set out into the wilderness of mountainous Montana, unaware that fate, in the form of a Guardian, was about to intervene.
