What is Large Account Management Process | kapta.com

In 2018, CSO Insights, the research division of Miller Heiman Group found that 50.5% of organizations reported running sales enablement in a formal way. Yet despite this adoption of formal sales enablement, only 9.2% of organizations who do so use an enablement charter. Adding a charter pays off—organizations with formal sales enablement processes anchored by a charter enjoyed a huge bump in ...
