Anne M. Blumer, CPO®, owner and founder of SolutionsForYou Inc. and the Institute for Professional Organizers™, has trained hundreds of professional organizers from 17 countries, and in this guide, she explores how to turn your love of organizing into a full-fledged career. Learn how to: • get started in the professional organizing business; • assess whether your skills are a good fit for the profession; • determine how to charge for your services; • name and register your business for maximum impact. Blumer also examines tax issues, legal and insurance needs, marketing and branding your business to attract your key client, selling your value, and how to work with clients throughout the entire organizing process. Note: Mastering the Business of Organizing - A Guide to Plan, Launch, Manage, Grow, and Leverage a Profitable, Professional Organizing Business Volume 2 is an updated and expanded edition of Get Rich Organizing (Volume 1) published in 2009

Booth Renting 101: A Guide for the Independent Stylist is a must-have guide for booth renters looking to start and successfully run a booth rental business. Acting as a roadmap, this book includes best practices

The Simple Guide to Home Electronics helps the average person navigate the bewildering array of choices in the ever-changing world of home electronics that impact our day to day lives. A wide variety of topics from lightbulbs to the Internet, TV, Telephone, Cameras, and the Internet of Things (IoT) are explained without all the tech savvy jargon. Each chapter begins with a general overview and practical advice followed by more in-depth information that will give you an understanding of the type of products available and how they work. If you have ever considered disconnecting your cable TV, a smart thermostat or turning on the lights with a voice activated product, then this book is for you. The author's light conversational style along with his own engaging stories, humor and points of view make these complex topics easy to understand. The information is presented in free-standing independent chapters that can be referenced over and over again as you replace and update the technology in your home.
