Political Culture and Secession in Mississippi ...

Political Culture and Secession in Mississippi examines gender and antebellum politics, and argues that the demands of masculinity and honor within state's antiparty political culture made secession possible. The non-institutional context of all political rhetoric caused Mississippi voters to condemn the Republicans' anti-Southern program as a personal insult, and linked men's understanding of masculinity with electoral politics, the actual mechanism for secession.

Synopsis. Political Culture and Secession in Mississippi explores the connections between gender, honour, and electoral politics, and argues that secession resulted from the demands and implications of masculinity within the state's antiparty political culture. Using evidence from local election returns, rural newspapers, manuscripts, and numerous county records, the work sketches a new picture of the varied and colourful world of local politics.
