In traditional and Orthodox Judaism the akeret habayit, or woman of the house, tends to the family and household duties. Women have been highly regarded within the Jewish community because they are capable of a great degree of "binah" (institution, understanding, intelligence). The term, "women of valor," describes the ideal characteristics of a Jewish woman.

This priority of religious values incorporates and endorses a patriarchal concept of women's role in the family. Jewish law, as well as Moslem, Druze, Bedouin and, to a lesser extent, Christian law, are all patriarchal legal systems, in that they exclude women from full participation in the public sphere while subordinating them to male authority in the private sphere (Polan, 1982: 295).
