authoritative but succinct statement of how the Charter impacts upon EU, domestic and international law.

Following the conventional article-by-article approach, each commentator offers an expert view of how each article is either already being interpreted in the courts, or is likely to

disciplinary perspectives of public procurement and human rights. Through theoretical and doctrinal analyses, and practice-focused case studies, it interrogates the evolving character of public procurement as an interface for multiple normative regimes and competing policies.

Acces PDF Previous Labour Relations N6

Challenging the prevailing paradigm which subordinates human rights to narrowly-defined economic goals, insightful contributions advance a compelling case for greater inter-disciplinarity and policy coherence as crucial to realising international policies such as those embodied in the
