Business building can be complicated and risky, to say the least. 20% of businesses fail within the first year and 50% fail by the 5th year. They fail mostly due to running out of money, poor leadership, and burnout. Fortunately, there's a way to build a business that increases profits, reduces stress, and the chances of failure while representing you at your best!

cash on the side, but don't have much money to invest, then keep reading... Here's the unfortunate truth. Most of the books on Amazon promise you instant riches for little to no work. Or they'll just be one long sales pitch for yet another overpriced online course. Or worse, some kind of recruitment for a network marketing scam. So why is this book different? Here at Financial Freedom Blueprint... we've rounded up a group of experts... each of whom have years of experience in their fields... to bring you today's best work at home opportunities. Not stuff which might have worked 10 years ago, but no longer does. ...so even if you've tried blogging... writing articles... selling stuff on Craigslist or eBay... affiliate marketing... or a bunch of other stuff online which doesn't actually work... then don't worry... This book only contains

proven business models which are working in 2019. This isn't a get-rich-quick scheme, and these projects will need some time and effort to get started. But all them only require a small investment (and sometimes no investment), and don't take a lot of time to set up. No need for hours of technical training either. Most of these are "turnkey" models you can get up and running with in a single weekend. And best of all, you can run them from your laptop... or in some cases, your smartphone! Here's just a fraction of what you'll discover inside: The real "secret" to making money online. This is the opposite to what every "guru" has been telling you.
