A remarkable story of friendship, love, and courage. When Maya Angelou and Tavis Smiley met in 1986, he was twenty-one and she was fifty-eight. For the next twenty-eight years, they shared an unlikely, special bond. Angelou was a teacher and a maternal figure to Smiley, and they talked often, of art, politics, history, race, religion, music, love, purpose, and -- more than anything -- courage.

Courage to be open, to follow dreams, to believe in oneself. In *My Journey with Maya*, Smiley recalls a joyful friendship filled to the brim with sparkling conversation -- in Angelou's gardens surrounded by her caged birds, before lectures, sharing meals, and on breaks from it all, they sought each other out for comfort, advice, and above all else, friendship. It began when he, a recent college graduate and a poor kid from a big family in the Midwest, was invited to join the revered writer on a sojourn to Africa. He would be handling her bags, but Maya didn't let that stop a friendship waiting to happen. Angelou was generous, challenging, and inspirational. Like a mother to him, she was selfless. Here Tavis Smiley shares his personal memories of Maya Angelou, of a decades-long friendship with one of history's most fascinating women, one who left as indelible an imprint on American culture as she did on him.

The inspiring, unflinching true story of “blind” faith, as Major Scotty Smiley awakes in a hospital bed and realizes his world is permanently dark he must stretch his faith like never before. Courageous, heartfelt, and honest, *Hope Unseen* challenges readers to question their doubts, not their beliefs, and depend upon God no matter what. A nervous glance from a man in a parked car. Muted instincts from a soldier on patrol. Violent destruction followed by total darkness. Two weeks later, Scotty Smiley woke up in Walter Reed Army Medical Center, helpless . . . and blind. Blindness became Scotty’s journey of supreme testing. As he lay helpless in the hospital, Captain Smiley resented the theft of his dreams—becoming a CEO, a Delta Force operator, or a four-star general. With his wife Tiffany’s love and the support of his family and friends, Scotty was transformed—the injury only intensifying his indomitable spirit. Since the moment he jumped out of a hospital bed and forced his way through nurses and cords to take a simple shower, Captain Scotty Smiley has climbed Mount Rainier, won an ESPY as Best Outdoor Athlete, surfed, skydived, become a father, earned an MBA from Duke, taught leadership at West Point, commanded an army company, and won the MacArthur Leadership Award. Scotty and Tiffany Smiley have lived out a faith so real that it will inspire you to question your own doubts, push you to serve something bigger than yourself, and
