The New Comparative Theology: Interreligious Insights from ...

Comparative Theology (CT) in its modern form is a relatively new field of study, and debate on the theorisation of various of its aspects and its credentials for inclusion in the academic study of religion has already generated a burgeoning literature. In a recent review, S. Mark Heim has commented that CT in the sense used in this essay:

The New Comparative Theology: Interreligious Insights from ...

Comparative theology is a relatively new discipline within theology, which holds together "comparative" and "theology" in creative tension. It represents a particular type of theological practice committed to deep interreligious learning while staying rooted in a particular religious tradition. Moreover, while many of its proponents come from the Christian religious tradition, it can have as a starting point the theology of any religious tradition.

Comparative theology - Wikipedia
