If you like Jack Reacher then you'll love Rob Stone. A P Bateman's story is a classic tale of a man who gets sucked into the corrupt politics of a remote American town and then fights back. There are some great moments in the book, in particular I loved the section where Rob Stone is being stalked through the forest. If only it had lasted longer!!

Waking naked and alone on a deserted island, Rob Stone has no recollection of how he got there, or who he is. His memory is one of snapshots, each one building a picture of what he does and who he truly is. He discovers he has both the skills and will to survive. But survival is one thing, being hunted is another.
