Earl St. Vincent was not only an excellent administrator, a fine sailor and undaunted defender of the Royal Navy. He was also

Download Free Vincent Men Of Honor Vol 2

eclipsed in the tomes of history by his more famous protégé, Lord Nelson. Sir John Jervis had served for many years with distinction before Nelson's birth; defending Jamaica from privateers and pirates,

Download Free Vincent Men Of Honor Vol 2

distinguishing himself during the Seven Years war and War of American Independence. This two-volume biography by Captain Brenton, a contemporary (albeit junior) of both naval heroes, goes some way

Download Free Vincent Men Of Honor Vol 2

to fixing the void in the record of Earl St Vincent. The biography includes much of the original documentation and letters of the period when the invasion of the British isles was a real possibility as the

Download Free Vincent Men Of Honor Vol 2

French and Spanish turned from enemies to allies and joined their naval might together. At that time Sir John Jervis was in command of squadrons in the Channel, as he had been beforehand in the Mediterrean, enforcing a

Download Free Vincent Men Of Honor Vol 2

blockade that strangled the commerce of Spain and France. During those times that ships escaped port, Jervis and his subordinates hunted them without mercy, the most striking example being the battle of St.

Vincent. Although outnumbered by his Spanish opponents, Sir John led fifteen of his ships on. The following anecdote is told of the initial contact before the battle: "There are eight sail of the line,

Download Free Vincent Men Of Honor Vol 2

Sir John" "Very well, sir"
"There are twenty sail of
the line, Sir John" "Very
well, sir" "There are twenty
five sail of the line, Sir
John" "Very well, sir"
"There are twenty seven sail
of the line, Sir John"

Download Free Vincent Men Of Honor Vol 2

"Enough, sir, no more of that; the die is cast, and if there are fifty sail I will go through them" His entry in the Oxford Dictionary of National Biography states that – "His importance lies in his being

Download Free Vincent Men Of Honor Vol 2

the organizer of victories;
the creator of well-
equipped, highly efficient
fleets; and in training a
school of officers as
professional, energetic, and
devoted to the service as
himself." An excellent and

detailed read. Author –
Captain Edward Pelham
Brenton R.N. (1770–1844)

Louis XIV was a man in
pursuit of glory. Not
content to be the ruler of a
world power, he wanted the

Download Free Vincent Men Of Honor Vol 2

power to rule the world. And, for a time, he came tantalizingly close. Philip Mansel's King of the World is the most comprehensive and up-to-date biography in English of this hypnotic, flawed figure who continues

Download Free Vincent Men Of Honor Vol 2

to captivate our attention.
This lively work takes Louis
outside Versailles and shows
the true extent of his
global ambitions, with stops
in London, Madrid,
Constantinople, Bangkok, and
beyond. We witness the

Download Free Vincent Men Of Honor Vol 2

importance of his alliance with the Spanish crown and his success in securing Spain for his descendants, his enmity with England, and his relations with the rest of Europe, as well as Asia, Africa, and the Americas. We

Download Free Vincent Men Of Honor Vol 2

also see the king's effect on the two great global diasporas of Huguenots and Jacobites, and their influence on him as he failed in his brutal attempts to stop Protestants from leaving France. Along

Download Free Vincent Men Of Honor Vol 2

the way, we are enveloped in the splendor of Louis's court and the fascinating cast of characters who prostrated and plotted within it. King of the World is exceptionally researched, drawing on international

Download Free Vincent Men Of Honor Vol 2

archives and incorporating sources who knew the king intimately, including the newly released correspondence of Louis's second wife, Madame de Maintenon. Mansel's narrative flair is a perfect

Download Free Vincent Men Of Honor Vol 2

match for this grand figure,
and he brings the Sun King's
world to vivid life. This is
a global biography of a
global king, whose power was
extensive but also limited
by laws and circumstances,
and whose interests and

Download Free Vincent Men Of Honor Vol 2

ambitions stretched far beyond his homeland. Through it all, we watch Louis XIV progressively turn from a dazzling, attractive young king to a belligerent reactionary who sets France on the path to 1789. It is a

Download Free Vincent Men Of Honor Vol 2

convincing and compelling portrait of a man who, three hundred years after his death, still epitomizes the idea of le grand monarque.

The Abbey of St. Victor,
from which the great Latin

Download Free Vincent Men Of Honor Vol 2

hymnologist takes his name,
and which, originally, was
in the suburbs of Paris, was
later on absorbed into the
city itself, as she enlarged
her borders, was celebrated,
especially in the twelfth
century, as a school of

Download Free Vincent Men Of Honor Vol 2

theology. Probably no other religious foundation could boast of such a brilliant triad of doctors of divinity, as the one that graced this Abbey during that century in the persons of Hugh of St. Victor, known

Download Free Vincent Men Of Honor Vol 2

to his generation as the
"Second Augustine;" his
pupil, Richard of St.
Victor, named Alter
Augustine; and Adam of St.
Victor, the author of the
Sequences in these volumes,
who, as will be apparent to

Download Free Vincent Men Of Honor Vol 2

the most cursory reader was even deeply versed in the learning of the school to which he belonged.
