After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.

A colorful, magic, visual journey through the mind of Sunny Buick. Her powerful imagery contains references to many popular subjects and sub cultures. Using creativity and humor, she courageously shows a possible surreal future filled with chimera, animals, tattooed folks amongst strange vegetation.

This powerful drama examines the fears of parents driven to do "the right thing" when the safety of their daughter is in doubt. A mother and father who learn that the next door neighbor is a convicted child molester consider both vigilance and vigilantism before being forced into action by a pair of child advocacy crusaders. The shocking climax hits a raw nerve, leaving the audience to consider where the line between right and wrong lies. Mr. Bundy was a hit at the 1998 Humana Festival at Actors Theatre of Louisville. -- Publisher's website

Ophelia Jensen's good witch granny Abigail revels in her paranormal powers. But Ophelia never asked for her bothersome psychic abilities -- especially since they proved worthless when the thirty-something librarian's best friend Brian was murdered by a still-unknown assailant. Now, five years later, another friend is gone, killed in almost identical fashion. Even dear old Abby isn't safe, distracted as she is by her fight to prevent a massive, mega-polluting pig-farming operation from invading their small Iowa town. And Ophelia can't count on her snarling, scoffing nemesis, police detective Henry Comacho, to get the job done, so she'll have to take matters into her own hands. Because a common thread to the crimes -- and a possible next victim -- is suddenly becoming troublingly apparent . . . and it's Ophelia Jensen herself!

Laurel Heights is a rich, character driven, story offering a glimpse into the lives of its four primary souls as they are confronted by the challenges of love, career, loyalty, honor, and a bevy of other considerations faced by each of us in every day life. Laurel Hawthorne and Drew Wayzata are the central characters, who discover their mutual capacity for love as well as their individual capacity for labor. Morgan Sheridan and Winttenailia Gardinado round out the cast with their shared bond for the secret organization one wants the other to become a member of to realize her heritage. Laurel Heights is sure to offend some and be greatly appreciated by others. Its author hopes you fall into the latter category. In any event, it cannot be denied that it is an extremely well written story. May you enjoy the read. If you do, please don't be shy about referring it to a friend!
